Assisted by local nature groups and holidaymakers themselves, David Bellamy looks at virtually every aspect of park management – from the protection of plant and animal habitats to the efficient use of energy and recycling. We support Visitor Give Protect projects in the National Park which provide vital conservation work and footpath repair throughout the region. What our customers say....

We enjoyed the site, the staff were helpful and very friendly and the site was spotless. We will be calling again in the near future.
Michele & Steve Scarborough

We have stayed at Woodclose park twice now in the Wigwams, they are fantastic ! Great value for money , clean & a five minute walk to Kirby Lonsdale.
Emma Hardman & Chris Drake

Yet another fantastic time spent in the wigwam over the Easter weekend. We are true converts to 'glamping' in Wigwams but what makes these wigwams so great is the site, the facilities and the members of staff.
Mr & Mrs Warley

One of our favourite touring caravan sites. Friendly staff and clean large private shower/wash rooms. Easy walking access into the town with many lovely walks on your doorstep.
